Mackinac Island and the Upper Peninsula

Join **Jonesboro Travel** on our adventure that begins with a flight from Memphis to discover the beautiful upper peninsula of Michigan. Continue the fun by exploring the stunning innovations you will see on our tour of the Henry Ford Museum! Enjoy a guided tour of quaint Mackinaw City and Mackinaw Crossings. Take an exciting cruise through the SOO LOCKS and spend some free time in Sault Saint Marie while watching the ships enter and depart or browse the unique shops and boutiques. Visit Colonial Michilimackinac-A 1700's era Village. Witness the Cross in the Woods Shrine, home to the largest crucifix in the world. See World Champion Lumberjacks in head-to-head competition chopping, sawing, axe throwing, log rolling and speed climbing – it's a great combination of action-packed fun and comedy. Then, switch gears as you board a ferry for Mackinac Island for an amazing 2-night stay. This Jewel of the Great Lakes is one of the nation's most popular summer resorts with horse-drawn carriages and bicycles as the island's only means of transportation. Enjoy a horse-drawn carriage ride and enjoy a lavish luncheon at the famous Grand Hotel, the world's largest summer hotel, built in 1897 and the setting of the movie "Somewhere in Time". From its bluff cottages to its quaint horse-drawn carriages and charming fudge & taffy shops, this peaceful resort island offers a glimpse into life during a simpler and more genteel era. This is a fabulous tour not to be missed!
